FANCY

COATED

Sterk en kleurrijk, deze twee aspecten zijn kenmerken van de kwaliteit Fancy. Fancy is een papier gecacheerde gecoate kwaliteit, verkrijgbaar in 20 kleuren met een duidelijke linnenstructuur en 12 metallic kleuren. Bijkomend voordeel is dat het materiaal door de topcoating tevens vuil- en waterafstotend is.

Strong and colourful are the two aspects which characterise Fancy. Fancy is a coated paper laminated grade, available in 20 colours with a striking linen structure and 12 metallic colours. An added advantage is that the top coating renders the material dirt and water resistant.
